Introducing Your Judge Gerry M^cCalum (Burlesk/WeeWu)

Thank You to the Officers and Committee of The Chow Chow Club for the invitation to judge their show.

My involvement with pedigree dogs goes back to 1989. My first love was for the working breeds, which led to the arrival of two Boxer puppies, closely followed by Rottweilers. Bad luck struck and none of these dogs were ever bred from.

Boston Terriers soon followed, and in this breed I have owned and bred Champions at home and abroad, as well as multiple ticket winners. I also judge the breed at Championship Show level.

Chow Chow's have always been a breed I have greatly admired, and indeed when I was told by my parents that I could have a dog of my own as a child, it was a Chow that I had asked for. My Mother felt the coat would be too much work, and so a Boxer it was!

I have always hankered after Chow's and so when the time was right I made the decision to add one to the pack. This beautiful red bitch was soon followed by a beautiful black bitch that swiftly became Champion Shasadees Baby Sham. We now share our lives with 5 Chows, they have proven to be addictive!

I have had a wonderful introduction to a wonderful breed, have met some really lovely people, and I am greatly looking forward to judging Chows for the CCC.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and The Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Kennel Club licensed events.

- ✦ When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- ✦ If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- ✦ The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- ✦ Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- ✦ When at the show, never leave your dog in the vehicle.
- ✦ Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated. Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

18. Right to Refuse Entries – Exhibitors / Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

19. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered. Puppies over 4 months old may be entered NFC, but must have completed their inoculation course.

17. EXERCISE AREA An Exercise Area will be provided. Exhibitors/Handlers are required to clear up any fouling by the dog(s) in their charge.

18. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

19. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the committee under Kennel Club Show Regulation F11

20. CRATES & CAGES For Safety reasons the Kennel Club requests that dogs in soft crates are **NOT** left unattended at any time. **ALL** crates/cages must have the owner's name and ring number clearly visible

8. Puppies under six calendar months of age on the first day of the show are not eligible for exhibition.
9. The mating of bitches within the precincts of the show is forbidden
10. **Best Puppy in Show** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and has been declared Best Puppy in Breed, Best Any Variety Not Separately Classified Puppy or Best Any Variety Imported Breed Register Puppy. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed or Best in Show is a puppy it may, at the discretion of the judge, be awarded Best Puppy in Breed and Best Puppy in Show respectively. Where the Reserve Best of Breed or Reserve Best in Show is a puppy which has only been beaten by an adult dog it may, at the discretion of the judge, be Best Puppy in Breed and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed and Best Puppy in Show must follow the selection of Best of Breed and Best in Show respectively.
11. **Best in Show** Best in Show and subsequent placings must be selected from those dogs declared Best of Breed, Best Any Variety Not Separately Classified and Best Any Variety Imported Breed Register.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.
