**COULD YOU TAKE ONE YOURSELF OR
INTRODUCE A POTENTIAL NEW OWNER**

Use of electrical equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare circumstances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

INTRODUCING YOUR JUDGE :

Showing/Breeding History

I purchased my first chow a black bitch born in 1975 from Maureen Foster (Kimsu) but unfortunately she proved not to breed and in 1977 I purchased a red bitch from Arthur Stanier, she was Thursfield Jessamine who went on to become the breed record holder for the number of champion progeny.

From her first litter I kept Ch Kyong Cider Rosie and from other litters I retained Ch's Karizma (Top Bitch 1984 & 1985), Karlotta, Kassidy and Kolby. She also produced other CC & Res CC winners and was truly a prolific bitch who could never be replaced.

Other winners at Kyong have been Ch Byhorn Karo who was Top Dog in 1998, Ch Kyushu Klementine Top Puppy in 1998 followed by Top Dog in 2001 after being runner up in the breed for the previous two years. Other dogs of note have been Ch Kyong Kockney Rebel (Top Sire 1998), Kyong Katz Whiskers (2 CCs & 5 Res CCs) Kyong Kaprice (2 CCs & 8 Res CCs), Kyong Kaminickers (1 Res CC), Kyong Kap-T-Vation (Top Puppy 1989) along with Shergay Jalindee at Kyong (1 CC & 4 Res CCs plus Top Puppy 2004). Another young male who gained his title in 2009 was Ch Kyong Kal-Q-Lator. In 2011 along came brother & sister Kwaitang Kruella DeVil at Kyong (1 Res CC) and the prolific winner Ch Kwaitang Kristian at Kyong who amassed over 30 CCs and BOB along with numerous club BIS's plus group placings including RBIS at BUBA. Kris was Top Puppy 2012 and Top Dog 2013,2014,2015 & 2016 along with Top Stud 2016 & 2017 and lives on in his champion sons. During this time I imported a dog from Belarus, Delight Djalo at Kyong, who also became a champion.

Judging History

I judged my first show in 1981 and my first club show for the Scottish Chow Chow Club. I first awarded CCs in 1989 at Paignton and was invited to judge the breed at Crufts in 2011 which I consider a great honour. I have also judged in Denmark, Norway, Belgium and the Specialty for the Italian Chow Chow Club

I have previously been a committee member for the Northern Counties and the North Eastern Chow Chow Clubs and been a representative on the Chow Chow Breed Council. Currently I am the Chairperson of the Northern Counties Chow Chow Club.

16. **DOGS IN VEHICLES ON HOT DAYS**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at licensed events.

 - a) When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
 - b) If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - c) The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - d) Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

- e. When at the show, never leave your dog in the vehicle.
- f. Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- g. Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to very dire results. Please look after your dog's welfare.

**IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE
MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure their dog(s) needs are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars or prong collars is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. DOG FOULING: An exercise area will be provided. Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dog/s at any Kennel Club Licensed Show within the licensed venue & within the environs of that event including car & caravan parks & approaches. Adequate receptacles for the disposal of such fouling will be provided.
20. No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
21. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition, but no entry fees can be refunded.
22. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the show that the Committee will not be responsible for any loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.

No animal other than exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.
28. The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car & caravan parks & approaches. This regulation applies before (at any time during the setup period at the venue), during the event and afterwards (at any time during the breakdown of the event)
29. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been
